Preparation instructions

Baking

Traditional oven
20-25 min at 180 °C

Store at -18°C

INSTRUCTIONS FOR USE

No defrosting required, place the pastries on an oven tray. Bake exhaust closed. These instructions should be used as guidelines only as times and temperatures may vary according to the equipment used. Once the baskets are baked, turn them upside down (topping side down) so that the products do not deflate and retain their volume.

Never refreeze a product that has been thawed

STORAGE AFTER PREPARATION

Do not let the product in a hot spot more than 3 hours.

This product (s) is (are) compliant with the regulations of the countries of the European Free Trade Association. For distribution in another country, an application must be made to Délifrance SA; Délifrance SA cannot be held liable if the product has been marketed in a country for which Délifrance SA has not certified its regulatory compliance.
